

Sell The Best for Less

Patlite offers exceptional value in LU7 & LU5 best-in-class LED signal towers

✓ **Modular, tool-free assembly**

✓ **Patented color lens for optimal visibility**

✓ **Innovative design and flexible mounting options**

✓ **9 components combine to fit nearly all applications**

✓ **Now Available at Significantly Reduced Prices**

LU7 Series

- 70mm diameter
- Bright, long-lasting LED modules for maintenance free operation
- Color-coded spring clamp for fast & easy wiring
- DC24V & 90-250VAC
- Flashing & buzzer options (FB type)
- IP66 & Type 4/4X/13 for various wet and washdown applications

- Suited to high vibration environments
- Mounting options for base, pole, NPT, magnetic and walls
- RoHS, CE, and UL/cUL compliant
- Available in beige, black, and silver bases

Typical configuration (3-stack continuous light, Red, yellow, green):
LU7-02 + LU7-E-R + LU7-E-Y + LU7-E-G =
